**Secretary notes:**

My apologies for late release of this newsletter.

We have been very busy with personal work, competitions and association administration, which includes grant applications, and follow-ups.

Your new president is Adam Neish, of Tisdale. Reg Potter is vice-president. Reg has been the president of the SFC for the past two years, so he has been very busy with that.

In 2010, the Saskatchewan Winter Games will include rifle shooting. This will involve air rifle, and all zones will require a team of two junior athletes, with coach and manager. This is a great opportunity to revive activity in your club.

We are working with the North American Indigenous Games teams to get them ready for this summer's event in Cowichan BC.

Consider participating in our postal matches. We are adding team events to get a bit of inter-club competition.

Included in these pages is the silhouette match dates, the provincial small bore program, and program for the national silhouette in Prince Albert. This event is being hosted by the SPSBA, so any help you can provide will be appreciated.

Our high performance team has had very successful results over the past year, with many members on the national teams. More inside. Also on our web site: [rifleshooinginsask.org](http://rifleshooinginsask.org).

Hope you have a fun filled successful summer! See you at the matches.

Neil Suttill

All matches are subject to change; please call contact person before coming.
