Message from the President

The year to this point has seen more changes and projects being taken on by the association. Growth of association High Performance program, starting of the first in Canada shooting training center and more shooters than ever competing and making use of international training opportunities to name a few. What does this mean given indications by both Sask Sport and Sport Canada that effective programming will get the greatest rewards by organizations that perform well in these areas should put us in good standing. My feeling is that we should be appreciative of our athletes and coaches who have put so much effort into this area of association programming.

Does this mean the developmental area is not being worked on, not at all, we continue to offer try our sport introductory clinics, learn to shoot programming and coaching clinics. If something of this nature is wanted anywhere in Saskatchewan, there would be serious effort put into making it happen.

With silhouette shooting having challenges with numbers, if anyone has ideas that might help attract participants, the association would like to hear from you.

Reg Potter
SPSBA President

Message from the Head Coach

Strong past....new beginnings.

We have come off another strong year. You can see the stats from the various 2004 competitions and recognize that our team has talent and depth. After nationals I did a quick calculation and realized that our small populated province won the right of 16% of the National Team. Truly AMAZING. But that is not what I am most excited about, I am truly excited about the things that we have in the works and the up and coming talented and hard working athletes. I am also very excited about the Excellence Center that we are building in Saskatoon. This center will aid all our provincial athletes to taking the next step of high performance success, whether it is a chance to represent there province at the 2007 Canada Games or their province AND country at an International match. Our commitment as an association to develop top performing athletes is paying off, I am truly excited to be a contributing member.

Remember, in this sport hard work will overtake talent any day!

Cory Niefer
SPSBA Head Coach

2004 Small Bore Nationals

This year's nationals were definitely one to remember. The trip started meeting at Cory's all on time, packing efficiently and still leaving an hour and a half behind schedule! We took one quick stop at co-op to fill what I thought was all of the tires, and then we were on the road. We drove almost non-stop until we were about 35 kilometers out of Winnipeg, our destination for the night, when Cory noticed something in his mirror. Using his cat-like reflexes, he quickly pulled the vehicle over to the shoulder and we all got out. The trailer had blown a tire. No one really thought this as a problem, because we could just put the spare on. At least we could have if I would have filled it with air when we stopped at the co-op. So Cory and Emma ventured off to the nearest gas station to get some help from a mechanic. They came back with one about 45 minutes later; the helpful man fixed our problem, and did it for free! (Thank you man!!) Needless to say we were back on the road to Beachburg! And the rest of the drive was very uneventful, but always entertaining.

The Small-Bore Range where the .22 portion of the event was held was called the Beachburg Gun Club, located just outside the town of Beachburg. It was a nice facility, definitely one worthy of a competition such as nationals. It squadded 40 positions, and two relays were held. The athletes that were chosen to attend nationals and represent Saskatchewan were Cory Niefer, Emma Day, Teresa Hill, Matt McDermott, James Leuschen and Nathan Sollosy!. First was the ISSF free rifle event where Cory placed 5th overall in the event, Emma placed 10th overall, Teresa Placed 5th International Junior, Matt placed 7th IJ (International Junior), James Placed 8th IJ, And Nathan At His First Nationals Placed 9th International Junior! Then we moved on to the prone event, where Cory Placed 5th Overall in the match but bumped it up to 4th overall after the final! Emma placed 9th Lady, Teresa Placed 10th Lady, James Placed 9th IJ with an amazing prone performance, despite the torrential rains, way to go James! Matt came in 10th IJ and Nathan Followed it up with 12th, with nothing under an 80 average. Air Rifle was a bittersweet event for Saskatchewan. Some days were awesome, and some were not so awesome. Cory pulled away from the air event with 1st overall, awesome job Cory! Emma placed 7th expert, Teresa Placed 7th IJ. Nathan emerged from air rifle placing 13th IJ, and Matt placed 14th IJ, after a not so easy performance, and James placed 16th IJ. Some days people had rough performances and others amazing, but regardless everyone was very positive. It was a great national championship to be a part of. Awesome job team!
